Notes to Historical Financial Summary

Note 1: Consult our filings with the Securities and Exchange Commission for additional details about our financial results.

Note 2: Non-GAAP financial results should not be considered replacements for, and should be read together with, the most comparable GAAP financial results. For full financial data and non-GAAP reconciliations, please refer to our filings with the Securities and Exchange Commission.

Note 3: Definitions of terms reflected in this summary are available at *investors.yum.com*.

Note 4: We have reclassified certain other items in the Financial Statements for the prior periods to be comparable with the classification for the quarter ended June 30, 2018.

Note 5: Unless otherwise noted, results include the impact of a 53rd week in our 2016 fiscal year.

Note 6: Beginning with the quarter ended March 31, 2018, we adopted Topic 606 – Revenues from Contracts with Customers using the modified retrospective method. Therefore, the comparative information for fiscal 2017 and prior years have not been adjusted and continue to be reported under our accounting policies related to revenue recognition prior to adopting Topic 606 ("Legacy GAAP"). As a result of the adoption of Topic 606, Operating Profit for the quarter to date ended June 30, 2018 had no impact and year to date ended June 30, 2018 was \$4 million higher than what would have been recognized under Legacy GAAP.

Note 7: On February 7, 2018 one of our subsidiaries entered into an investment agreement to purchase shares of Grubhub common stock. In the quarter and year to date ended June 30, 2018 we recognized income of \$25 million and \$91 million, respectively, which reflects the appreciation in the market price of Grubhub common stock since entering into the agreement less valuation adjustments related to transfer restrictions on the shares.
