The Securitization Transaction and the exclusion of the Taco Bell Securitization Entities from the Restricted Group had the following pro forma impact on the financial and operating data of the Restricted Group and the Taco Bell Division of the Restricted Group in comparison to the corresponding data of YUM and the Taco Bell Division:

#### Units

- A total of 6,161 and 5,886 U.S. Taco Bell franchise units were excluded from the Restricted Group as of June 30, 2019 and 2018, respectively, as the Restricted Group no longer receives franchise fees from these restaurants.

### Franchise and Property Revenues

- Franchise and property revenues decreased \$141 million and \$123 million during the quarters ended June 30, 2019 and 2018, respectively, due to the exclusion of the franchise fees paid by all U.S. Taco Bell franchise restaurants as a result of the Securitization Transaction.
- Franchise and property revenues decreased \$268 million and \$239 million for the years to date ended June 30, 2019 and 2018, respectively, due to the exclusion of the franchise fees paid by all U.S. Taco Bell franchise restaurants as a result of the Securitization Transaction.

### Company Restaurant Expenses

- Company restaurant expenses increased \$11 million and \$14 million during the quarters ended June 30, 2019 and 2018, respectively, due to the payment of royalty fees of 5.5% of annual sales to the Taco Bell Securitization Entities by all U.S. Company-owned Taco Bell restaurants (which are part of the Restricted Group).
- Company restaurant expenses increased \$22 million and \$27 million for the years to date ended June 30, 2019 and 2018, respectively, due to the payment of royalty fees of 5.5% of annual sales to the Taco Bell Securitization Entities by all U.S. Company-owned Taco Bell restaurants (which are part of the Restricted Group).

### G&A Expenses

- G&A expenses decreased \$29 million and \$28 million during the quarters ended June 30, 2019 and 2018, respectively, due to the management fees paid by the Taco Bell Securitization Entities to Taco Bell Corp. as manager of the Taco Bell Securitization Entities. These fees are recorded as a reduction of G&A expenses and, on an annual basis, are equal to the sum of a base fee of \$35 million (subject to 2% per annum escalation, compounded annually) plus 15.1% of total securitization cash revenue paid to the Taco Bell Securitization Entities by U.S. company stores and U.S. franchisees for the year.
- G&A expenses decreased \$59 million and \$56 million for the years to date ended June 30, 2019 and 2018, respectively, due to the management fees paid by the Taco Bell Securitization Entities to Taco Bell Corp. as manager of the Taco Bell Securitization Entities. These fees are recorded as a reduction of G&A expenses and, on an annual basis, are equal to the sum of a base fee of \$35 million (subject to 2% per annum escalation, compounded annually) plus 15.1% of total securitization cash revenue paid to the Taco Bell Securitization Entities by U.S. company stores and U.S. franchisees for the year.

Consequently, the overall operating margins of the Restricted Group are negatively impacted due to the exclusion of franchise and license fees from U.S. Taco Bell franchised restaurants and our obligation to pay franchise fees on U.S. Taco Bell Company-owned restaurants to the Taco Bell Securitization Entities, with no corresponding reduction of Restricted Group expenses (other than a partial offset by the management fee paid to the Restricted Group by the Taco Bell Securitization Entities as reimbursement for a portion of G&A expenses).

Amounts transferred to or on behalf of Yum! Brands, Inc. as Parent Entity Expenses (as defined in the Indentures) or operating costs and expenses incurred in the ordinary course of business (as permitted by the Credit Agreement) are excluded from G&A expenses of the Restricted Group. G&A expenses of the Restricted Group were reduced for such costs by \$1 million and \$2 million for the quarters ended June 30, 2019 and 2018, respectively, and \$4 million and \$5 million for the years to date ended June 30, 2019 and 2018, respectively.

System sales growth was negatively impacted by the refranchising of U.S. Company-owned Taco Bell restaurants. These refranchised units were no longer included in the Restricted Group upon completion of the refranchising transaction.

*Company Sales.* The quarterly and year to date decreases in Company sales were driven by refranchising, partially offset by company same-store sales growth of 5% and net new unit growth.

*Restaurant Margin Percentage.* The quarterly decrease in restaurant margin percentage was driven by higher labor and other operating costs, partially offset by same-store sales growth.

The year to date increase in restaurant margin percentage was driven by same-store sales growth, partially offset by higher labor and other operating costs.

*G&A Expenses.* The quarterly decrease in G&A expenses was driven primarily by higher management fees received from the Taco Bell Securitization Entities. The impact of cost inflation was offset by the positive impacts of YUM's Strategic Transformation Initiatives.

The year to date increase in G&A expenses driven by the unfavorable impact of lapping prior year forfeitures related to share based compensation awards was offset by higher management fees received from the Taco Bell Securitization Entities.

*Operating Profit.* The quarterly and year to date decrease in Operating Profit was driven by refranchising and higher restaurant operating costs, partially offset by same-store sales growth.

#### **Additional Information Related to Restricted Group:**

##### **Adoption of Topic 842**

Starting in February 2016 and continuing into 2019, the Financial Accounting Standards Board ("FASB") issued standards on the recognition and measurement of leases ("Topic 842"). We adopted these standards beginning with the quarter ended March 31, 2019, using a modified retrospective transition approach for leases existing at, or entered into after, the beginning of 2019. The impact on the Restricted Group Operating Profit was not significant.

Refer to Notes 2 and 5 of the Form 10-Q for the quarter ended June 30, 2019 for further discussion.
